

JOB TITLE: SENIOR ACCOUNTANT OPEN DATE: 7/20/2021
LOCATION: WORLAND, WY
SUPERVISOR: CONTROLLER- WORLAND
FLSA STATUS: NON-EXEMPT

The statements herein are intended to describe the general nature and level of work being performed by employees and are not to be construed as an exhaustive list of responsibilities, duties and skills required of personnel so classified. Furthermore, they do not establish a contract for employment and are subject to change at the discretion of the employer.

POSITION SUMMARY:

Maintains a significant portion of the Company's accounts and accounting records. Maintains general ledger. Examines a variety of financial statements and transactions for completeness, internal accuracy, and conformity with established accounting classifications. Files state and federal reports with the appropriate agencies, coordinates and reconciles the annual physical inventory of telecom equipment and assisting with general accounting functions such as ongoing audit work.

ESSENTIAL DUTIES & RESPONSIBILITIES

- Maintains general and subsidiary ledgers by entering various transaction information regarding transactions, preparing journal entries, reconciling general ledger accounts and allocating revenues and expenses among accounts and budgets.
- Primarily responsible to close out work orders to general ledger. Maintains continuing property records (CPR's) on Outside Plant and Central Office Equipment. Works closely with engineering and plant departments to research work order inquiries/discrepancies. Reconciles CPR detail to general ledger on a monthly basis.
- Responsible for coordinating and reconciling the annual physical inventory of Outside Plant and Central Office Equipment throughout our exchanges.
- Completes monthly analysis of plant and reserve amounts. Assists with completion of monthly and annual reports that require plant related information.
- Generates month and year end audit work papers.
- Acts as liaison with consultants in regard to financial matters and compiles data as requested.
- Assists in gathering and analyzing data for cost studies and access tariff filings as requested. Analyzes new methods, procedures and agreements to ensure maximum revenues for company.
- Responsible to meet various federal and state reporting requirements.
- Prepares and files associated correspondence to federal and state agencies.
- Assist with development of annual budget.
- Completes property tax reports annually.
- Performs all other related duties as assigned by the Management*.

EDUCATION & EXPERIENCE:

Bachelor's degree in accounting or equivalent experience, PLUS three to five years of experience related to duties contained in this job description preferred. A combination of education and experience may be substituted in lieu of a bachelor's degree at the company's discretion.

GENERAL INFORMATION:

The general work hours for this position are 8:00 am - 5:00 pm Monday through Friday. Overtime will be required on occasion. This is a Non-Exempt position, subject to the overtime provisions of FLSA.
